"The site for the approaching New

greatly surprised to find the city possessed  
such a very excellent Temperance Hotel,

The Grandest Wearing Boots  
Manufactured in the Colony.

THESE BOOTS are now being sent for  
from Victoria, Queensland, and New  
South Wales, by customers who have had  
them previously in New Zealand.

Some time ago, a family who were re-  
turning to Yorkshire were fitted out with  
"Zealandia" Boots, by a large Storekeeper  
and they wrote to say that their "Zeal-  
andia" Boots caused a deal of discussion  
in the Old Country, and they stoutly  
maintained that no finer wearing boots  
could be made in England. Since writing,  
these Colonists have returned to New  
Zealand, and have informed us that their  
boys wore a pair of the "DEPENDABLE"  
SCHOOL BOOTS while going Home; &  
the time at Home; while returning; and  
has since worn them at school for some  
months, and the Boots are perfectly  
sound.

Every other pair gave equal satisfac-  
tion.

There is no greater economy  
than in buying "Zealandia"  
Boots, and remember that none  
are genuine unless branded on  
the sole

CAUTION TO PURCHASERS.

THE value of this well-known Family Medicine has been largely tested in all  
parts of the world, and by all grades of society, for upwards of FIFTY  
YEARS. Its well-earned, extensive sale has induced SPURIOUS Imita-  
TIONS, some of which in OUTWARD APPEARANCE so closely resemble  
the original as to have deceived many purchasers. The proprietor, therefore, feels  
it due to the public to give a special caution against the use of SUCH Imita-  
TIONS.

Purchasers are therefore requested to carefully observe the four following im-  
portant characteristics, without which none is genuine:—

- 1st.—In every case the words JOHN STEEDMAN, CHEMIST, WAL-  
WORTH, SURREY, are engraved on the Government Stamp affixed to each  
packet.
- 2nd.—Each Single Powder has directions for the dose, and the words, JOHN  
STEEDMAN, Chemist, Walworth, Surrey, printed thereon.
- 3rd.—The name, Steedman, is always spelt with two E's.
- 4th.—The manufacture is carried on solely at Walworth, Surrey.  
Sold in Packets by all Chemists and Medicine Vendors at 1s 1 1/2 and 2s 6d

**Grow Choice Fruit**  
SOME Trees bear beautiful large Apples,  
equal in flavor to a raw turnip, others  
produce fruit of good quality but only bear  
about six apples when there should be  
hundreds. I have visited the best Orchards  
in this district during seven fruit seasons,  
and have 200 kinds of apples in my own Orchard.  
I graft about 30 varieties, the pick of my own  
and neighbors orchards; chosen for earliness,  
flavor, productiveness, blight resisting, long  
keeping, &c. I have several thousand young  
Trees from one to three years old for sale at  
lowest rates for cash. Orders by post will  
receive prompt attention. Trees delivered  
free at Ashburton Railway Station, Borough,  
or suburbs.
