No. 1.

COPY OF A DESPATCH FROM HIS GRACE THE DUKE OF NEWCASTLE TO HIS EXCELLENCY
THE GOVERNOR.

Downing-street,
26th April, 1861.

SIR,—

I have the honor to acknowledge the receipt of your Despatch No. 12, of the 24th of January, enclosing a pamphlet which has been printed for dissemination among the Natives, containing extracts from Sir W. Martin's pamphlet, entitled "The Taranaki Question."

NEW ZEALAND.
(No. 39.)

I have to express to you my approval of the Proclamation which you have issued for the purpose of inducing loyal subjects of Her Majesty to refrain from publishing opinions which may tend to impugn the justice and legality of the course pursued by Her Majesty's Government during the present juncture of affairs in New Zealand.

I have, &c.,
NEWCASTLE.

Governor Gore Browne, C.B.,

No. 2.

COPY OF A DESPATCH FROM HIS GRACE THE DUKE OF NEWCASTLE TO THE OFFICER
ADMINISTERING THE GOVERNMENT OF NEW ZEALAND.

Downing-street,
26th June, 1861.

SIR,—

I have to acknowledge the receipt of Governor Browne's Despatches of the numbers and dates noted in the margin.

Her Majesty's Government have learned with much satisfaction that the negotiations for peace for which some of the Native Chiefs had expressed an anxiety to treat, had resulted in the retirement of the Waikatos to their own territory, the acceptance by Wi Kingi's principal partizan of the terms which Governor Browne had dictated, and the abandonment of any warlike operations, at least for the present, by W. Kingi himself.

NEW ZEALAND.
(No. 67.)

I have much pleasure in stating that Her Majesty's Government consider the proceedings by which Governor Browne obtained this result to have been very judicious, and to be deserving of their full approval; and I may here add that I am of opinion that he acted very wisely in treating, as he did, with each party separately, and refusing to recognise on the part of Her Majesty, any one person or combination of persons as entitled to represent the various tribes who have been in arms against Her Majesty's authority.

I trust that the further negotiations which Governor Browne reports as being in progress with the Taranaki and Ngatiruanui tribes will terminate with their entire submission to the Queen's sovereignty, and that Her Majesty's Government may then be able to look forward to a lasting peace with the several Native tribes, and to a settlement of those complicated questions which will meet Sir George Grey on his arrival.

I transmit to you a copy of a letter addressed by my desire to the War Department, in which I have requested Lord Herbert to convey to General Pratt my thanks for the valuable services he has rendered to the Colony during the period he has been in personal command of Her Majesty's troops in New Zealand.

I have, &c.,
NEWCASTLE.

The Officer administering
the Government of New Zealand.
