In many cases offices have been abolished and the holders of them appointed to new offices. There has been some difficulty in preparing the Return, owing to the records of some of the Departments having been lost in the "White Swan." In some cases the salaries have not been given, because no accounts have been received at the Audit Office, shewing what salaries were paid in these cases.

CHARLES KNIGHT,  
Auditor.

11th August, 1862.
