ORDER IN COUNCIL,

For ascertaining assent of Natives to Regulations under the “Native Districts Regulation Act, 1858.”

AT THE GOVERNMENT HOUSE, AT AUCKLAND, ON FRIDAY, THE SEVENTH DAY OF MARCH, 1862.

Present:—His Excellency the Governor in Council.

WHEREAS by an Act of the General Assembly of New Zealand, intituled the “Native Districts Regulation Act, 1858,” it is provided that it shall be lawful for the Governor in Council from time to time to appoint Districts for the purposes of the said Act, being Districts over which the Native Title shall not for the time being have been extinguished:

And by the same Act it is further provided that it shall be lawful for the Governor in Council from time to time to make and put in force within any such District, Regulations for various purposes in the said Act described: And that all such Regulations shall be made as far as possible with the general assent of the Native population affected thereby, to be ascertained in such manner as the Governor may deem fitting:

And whereas in order to ascertain such assent it is expedient to provide in the first instance for the orderly and deliberate framing of such Regulations by the Natives themselves, whenever practicable, through the Native Institution of the Runanga, and that specific powers in that behalf should be conferred upon the Runanga accordingly:

And whereas it may be expedient that Regulations to be so put in force within any such District should be either General Regulations applicable to the whole District, or Local Regulations applicable only to a portion of such District, as the case may be:

Now therefore His Excellency the Governor, by and with the advice and consent of his Executive Council, and in exercise of the powers so vested in him as aforesaid, doth hereby order, appoint, and declare that the assent of the Native population to any such Regulations to be put in force within any District as aforesaid, shall be ascertained in manner following, that is to say:

1. If the Governor shall think fit at any time by Order in Council to constitute within any District or group of Districts or part of a District appointed under the said Act, a Native Runanga for the purpose of ascertaining such assent as aforesaid, such Runanga shall be termed the "District Runanga of _____," or the "Village Runanga of _____," as the case may be: And every such Runanga shall continue during the Governor's pleasure.

2. Every District or Village Runanga shall consist in the first instance of such Native Chiefs as may be appointed by the Governor to be members thereof, and of such other members as may be afterwards added by election or otherwise in pursuance of any General or Local Regulation in that behalf: and any member may resign or be removed by the Governor.

3. Every Regulation proposed by any District or Village Runanga to be put in force within any such District, whether the same shall be a General Regulation for the whole District, or a Local Regulation for any part thereof, shall be considered at a meeting of the District or Village Runanga to be specially held for the purpose: and the final adoption thereof at such meeting by a majority of such Runanga, shall be held to be the ascertainment of the general assent thereto of the Native population to be affected thereby, within the meaning of the said Act: Provided that if on the presentation to the Governor of any such Regulations, he shall think fit to return the same to the Runanga with any amendments therein, the Runanga shall consider such amendments in like manner as aforesaid, and the final adoption in manner aforesaid of the Regulations as so amended shall be held to be the ascertainment of the general assent thereto as aforesaid.

4. Whenever the Governor shall not have constituted any District or Village Runanga within any District appointed under the said Act, the assent of the Native population to any Regulations to be put in force therein shall be ascertained by the Civil Commissioner of the District (if any), or by such other Officer, assisted by not less than two Native Assessors, as may be designated by the Governor in that behalf.

And His Excellency, with the advice and consent aforesaid, doth declare that this Order shall take effect from and after the thirty-first day of March, 1862.
