Do.	3		Town acre 542, S. Western, part of +	About 3 roods	Middle part included in McDonald's (Tod's) grant; south-west part granted to Bishop of Wellington as a site of a church	17 perches, as a site for a church in which patients of adjacent civil hospital may have free sittings.
Do.	4	Grant, 3rd January, 1868	do. eastern part +	0 0 27½	Porutu, by Crown Grant, under Native Land Acts	For Porutu and family, see class C., No. 1

* It is doubtful whether Col. McCleverty's Awards, having been granted absolutely, can be now looked upon as Native Reserves. They are, however, included in these schedules, as their circumstances are so interwoven with those of reserves contiguous to them that no lists would be complete without a description of them.

+ The sections marked thus are original reserves.
