No. 2.

The Hon, the Colonial Secretary to the Hon, the Chancellor of the New Zealand University.

Colonial Secretary's Office, Wellington, 3rd April, 1877. SIR,-I have the honor to acknowledge the receipt of your letter of the 21st ultimo, asking why the Registrar-General refuses to register ad eundem Degrees of Medicine granted by the New Zealand University, and, in reply, to transmit to you a copy of a memorandum by Mr. Brown, explaining the reasons for such refusal. I have, &c.,

The Chancellor of the New Zealand University, Christchurch.

DANIEL POLLEN.

Enclosure in No. 2.

The REGISTRAR-GENERAL to the Hon. the COLONIAL SECRETARY.

"THE Medical Practitioners Act, 1869," section 12, specified certain qualifications which entitled the holder to be registered under that Act. The only part of the section that embraces other than qualifications of the United Kingdom or Ireland is the last subsection but one. It will be observed that the diploma or degree therein specified must be obtained after "due examination," and must be one that, per se, entitles the holder to practise medicine. An ad eundem degree of the University of New Zealand does not come within the terms of the subsection. It is not obtained after due examination, but is merely an honorary degree given in consequence of a degree having been obtained elsewhere, nor does it, in itself, entitle the holder to practise medicine. I therefore refused to register the ad cundem degree as an additional medical qualification under the aforesaid Act. W. R. E. Brown.

The Hon. the Colonial Secretary.

I have, &c., W. M. Maskell,

2. The Senate met on the 7th March, 1877, at the Public Buildings, Nelson, which place and time were appointed at the last meeting in 1876, as prescribed by "The New Zealand University

Act, 1874.

The Senate have expressed by resolution their opinion that a Bill should be introduced, during next session of the Assembly, to vest in trustees the reserves included in "The University Reserves Act, 1875," for the purpose of promoting higher education in the provinces in which such reserves are situate.

Examiners in each subject, and, as the Examiners did not concur in their award, the Senate adjudged

Senior Scholarships to two of the candidates.

13. An examination for Honors was held in November, and the Examiners report that the only graduate who presented himself for that distinction has passed his examination with great credit, and his name has been placed in the first class.

Audit Office, Wellington, 28th May, 1877. THE annexed accounts of the University of New Zealand have, as required by "The New Zealand University Act, 1874," been duly audited and found correct.

JAMES EDWARD FITZGERALD,

Commissioner of Audit.

No. 7.

Mr. Maskell to the Hon. the Colonial Secretary.

University of New Zealand, Christchurch, 22nd May, 1877. STR,-I have the honor, by direction of the Chancellor, to explain, with reference to the 4th clause of the Report of the Senate of this University, forwarded to you in the Chancellor's letter of the 18th instant, that the Report is sent in the wording agreed to by the Senate. It was intended that the Regulations passed during the session, and the accounts of the past year, should be forwarded, together with the report, at the close of the session; but, as the audit of the accounts was not completed for some time afterwards, it was thought best, in order to avoid delay, to forward the regulations passed at once for the approprial of His Excellency the Governor once, for the approval of His Excellency the Governor.

I have, &c., W. M. MASKELL, Regis

The Hon. the Colonial Secretary, Wellington.

Registrar.

By Authority: George Didsbury, Government Printer, Wellington.—1877.
