* The amounts in Columns 8 and 9 are not covered exactly by the same periods. The moneys in Column 8 are those received during the last three financial periods—viz., year 1877-78, £57,940; year 1878-79, £100,000; nine months 1879-80, £75,000; total as above, £326,950. A large proportion of the grants for 1879-80 was not expended until after the close of 1879, and is not included in Column 9. The expenditure in Column 9 is for the three school years specified, and includes other moneys than those specially voted for buildings. These consisted of balances in hand, payments out of ordinary Board fund, and, in the case of North and South Canterbury, of the sum of £15,000 out of the Land Fund.
