

1881.
NEW ZEALAND.

LOAN EXPENDITURE IN, AND REVENUE DERIVED
FROM, THE SEVERAL PROVINCIAL DISTRICTS,

(STATEMENTS SHOWING, TO 31st MARCH, 1881.)

[In continuation of B.-7, Sess. II., 1879.]

Return to an Order of the House of Representatives, dated 5th September, 1881.

“That there be laid before this House a return showing (in continuation of a similar return which was furnished in Session II., 1879), the loan expenditure in, and the revenue derived from, the several provincial districts, to the 31st March, 1881.”—(*Mr. Montgomery.*)

STATEMENT showing the APPORTIONMENT between the several PROVINCIAL DISTRICTS of the AMOUNT EXPENDED out of LOAN from the Commencement of the Public Works Policy to the 31st March, 1881; also the APPORTIONMENT of the LIABILITIES on that Date.

W. A. THOMAS,
Accountant, Public Works.

* The Land Purchase Department is not able to return the exact liability for Land Purchases, but it is estimated at £200,000.

Public Works Department,
6th September, 1881.

STATEMENT showing the Contributions to Revenue (exclusive of Land Sales) from each Provincial District during the Financial Year 1880-81; also the Proportion of Loan Expenditure to which each District would be entitled on the basis of such Revenue, as compared with the Actual Expenditure in each District.

** The contributions to revenue are those actually collected in each provincial district, except in the case of Customs duties and stamps, which are allocated to the several districts on the basis of their population.

Provincial District.	Population on 3rd April, 1881.	Revenue on Basis as above.	Loan Expenditure.		In Excess of Proportion.	Under Proportion.
			In Proportion to Revenue.	Actual Expenditure and Liabilities to 31st March, 1881.
