(A) In 28 years from 1st November, 1881.
(B) Assuming the revenue came in in 10 years, by equal instalments of £3,925.
(C) The present value of £4,300 for 10 years is £33,200; but it is assumed in the calculation that all the land is sold, whereas 34,000 acres have yet to be sold.
