| 2/2072 | Paramena Warititi | 413 (45a) | Ngaitiruanui | Okotuku | 400 0 0 | Provided always that the said land hereby granted shall be inalienable by gift, sale, or by lease for a longer period than twenty-one years, or by mortgage, except with the consent of the Governor being obtained to any such sale, lease, or mortgage | Major Heaphy considered that the sale should be permitted, "as it is desirable for moral and sanitary reasons to let the Maoris leave the pas in the town," and also because "these people have country land sufficient for their requirements". An award of the Compensation Court. The purchaser's claim was investigated by the West Coast Commissioner, who directs "the Crown grant thereof to be handed to him" |
