Examined, with the books and vouchers. The charges on Sinclair and Gillies Scholarship Account are to be refunded in 1887. In lecture requisites a sum of £50 must be treated as an advance to Professor Thomas, to be duly accounted for. Of payments of £409 11s. 4d. to the Public Account, and £25 8s. 9d. to the Agent-General, I am furnished with no particulars: the Treasury Department can probably supply information and vouchers. The accounts are otherwise passed as correct.—L. A. Durrieu, Auditor, 23rd March, 1887.
