

The whole of the works done during the season are—105 chains of formation 6ft. wide, 87 chains of track stumped 14ft. wide, 155ft. of bridging, and 3 chains of embankments.

Waimamaku Roads.—The works finished to date are—132 chains formation 6ft. wide, 317 chains track cleared 16ft. wide, and 48ft. of bridging. Mr. Cochrane had charge of the three last-mentioned roads up to the 5th May last. Some fresh works have lately been let on them, which are under the charge of Mr. G. G. Menzies.

Hukerenui Roads.—The works performed to date are—100 chains of formation 6ft. wide with bush cleared 1 chain wide, 44ft. of bridging, and 4 miles of main road repaired. The work was done under Mr. A. B. Wright's supervision. Some new works are being let on these roads, under the charge of Mr. E. J. Fairburn.

Whananake Roads.—Three miles and a half of road 5ft. to 10ft wide, and 10ft. of bridging have been completed, and some new contracts have lately been let. The work is under the charge of Mr. E. J. Fairburn, along with the next following-named roads.

Parua Bay Roads.—Two miles of road 5ft. to 10ft. wide, and 39ft. of bridging have been constructed during the season, and some new works have lately been let on these roads.

Waitakerei Roads.—One 12ft. bridge is the only new work done on these roads.

Swanson Roads.—The works done are 52 chains formation 14ft. wide, and 126ft. bridging. Mr. Sealey was in charge.

Karaka Roads.—The works are—67 chains formation 14ft. wide, 126ft. of culverts, and 3 chains of embankments. Mr. Sealey was in charge.

Komakorau Drain.—This drain, 84 chains 5ft. by 3ft. deep, has been made. The work was done by village settlers, and in a satisfactory manner, under Mr. F. H. Edgcombe's supervision.

S. PERCY SMITH, Assistant Surveyor-General.

HAWKE'S BAY.

THERE is less to return under this heading than for many years past.

Ormond-Opotiki.—From Opotiki 44 miles of horse-road have been maintained. In the Motu section 112½ chains have been widened from 4ft. to 8ft., and 114 chains have been cleared of bush
