REPORTS OF SCHOOL COMMISSIONERS.

AUCKLAND.

Sir,— School Commissioner's Office, Auckland, 31st March, 1889.

I have the honour to forward the statement of accounts for the year 1888. The increase of the amount of arrears is due to the severe depression in farming and business matters generally which has prevailed for some time past. A considerable portion of the amount outstanding must be written off as unrecoverable.

The reserves let comprise six allotments of town and suburban lands, and 2,603 acres of country land, yielding an aggregate rental of £34 8s. a year.

The Commissioners have been gazetted a leasing authority subject to the provisions of "The

Public Bodies' Powers Act, 1887."

The return of primary and secondary education reserves in this provincial district, prepared by order of the House of Representatives, shows a large number of very useless endowments, from which it is impossible to obtain any revenue. The return, from its great length, is calculated to mislead members of the Legislature into the impression that the cause of primary education is well endowed in this district, whereas the reverse is the case. The Commissioners propose to address the Government upon this matter shortly.

The Hon. the Minister of Education.

WM. P. Moat, Chairman.
