EDUCATION RESERVES.

The reports and accounts of the School Commissioners are printed in the Appendix (pp. 87–97), and a summary of the accounts is given in Table S. The amounts which the Commissioners are able to pay to the Education Boards are increasing from year to year; for 1890 the amount is £33,400, and to that extent the sum that would otherwise be paid out of the Treasury in the form of capitation allowance has been diminished, the income from the primary-education reserves being in effect colonial revenue.
