No. 7 (8th July, 1892).—"Subsidies Act, 1892."

It is hereby enacted by the British Resident and the Parliament of the Cook Islands, in order to secure the proper administration of subsidies voted by this Parliament to Local Councils:—

1. That Inspectors for each Island shall be appointed by this Parliament, in such manner and

with such remuneration as it may by resolution direct.

2. That Overseers shall be appointed by any Local Council receiving a subsidy, in such manner as that Council may direct.

3. That the duty of Inspectors shall be to see, on behalf of this Government, that the work for which a subsidy is claimed has been faithfully done, and is of twice the value of the sum claimed.

- 4. That the duty of the Overseers shall be to keep a record of the nature of the work done each day, and of the names and number of men employed thereon, and of the amounts due to or paid to each man so employed.
- 5. Before asking for a certificate from the Inspector, the Overseer or other officer appointed by the Council must send to the Inspector a copy of the daily record, to be attached to the certificate. 6. The Paymaster will not pay any claim unless accompanied by a certificate from the Inspector, with the above copies of the Overseer's daily record attached.

7. Any person falsifying his record, or the copy given by him to the Inspector, or any Inspector knowingly giving a false certificate, shall be liable to a penalty not exceeding one hundred dollars (\$100), to be recovered in the local Court, and paid to the Collector of Revenue for appropriation by this Parliament. Such Overseer or Inspector shall also be ineligible to hold any public office or to be a member of this Parliament for any period not exceeding ten years.

Dated at Avarua this 8th day of July, 1892.

Approved. To come into operation from this date, the 9th July, 1892.
