# RAILWAY EMPLOYÉS' RETIRING ALLOWANCES

(RETURN RELATIVE TO).

*Return to an Order of the House of Representatives dated 25th August, 1893.*

*Ordered*, "That the Premier do lay before this House a return showing, in complete form, the names and grades and amounts due to each employé entitled to compensation as retiring-allowance who was in the railway employ on the Government railways prior to the Commissioners taking charge of such railways; and the names and dates and amounts paid over as compensation since the Railway Commissioners took office."—(Mr. DUNCAN.)

1. The NAMES and GRADES, and AMOUNT DUE to each EMPLOYÉ entitled to COMPENSATION as RETIRING-ALLOWANCE, who was in the Railway Employ on the Government Railways prior to the Commissioners taking charge of such Railways.

REPLIES have been given bearing on this subject by the Government in previous years—viz., by the Hon. Mr. Ballance, *Hansard*, page 478, 2nd July, 1891; and the Hon. Mr. Seddon, *Hansard*, page 503, 9th August, 1892. There is some difficulty in complying with the first part of this motion, as the amounts cannot be finally determined until the employé quits the service. The Commissioners then submit to the Audit the particulars of service, and their statement of the case and compensation, and, if passed by the Audit, the compensation is then payable.

2. The NAMES and DATES, and AMOUNTS PAID OVER as COMPENSATION, since the Railway Commissioners took office.

*Return of Compensation paid by the Treasury, under "The Civil Service Act, 1866," to Railway Officers since the Commissioners took Office.*
