WORKING RAILWAYS

(DETAILS OF ESTIMATES FOR)—CONTINUED.

Return in continuation and completion of that laid on the Table of the House on 15th August, 1893, in compliance with an Order dated 21st July, 1893.

Ordered, "That the Minister for Public Works be requested to ask the Railway Commissioners to furnish this House with detailed information as to their estimates, as now supplied by the several departments, such as the Post and Telegraphs; such estimates to show the number of Engineers, their status and pay; the number of Stationmasters, their status and pay; the number of Traffic Managers, their status and pay; the number of platelayers and their pay; and the number of cadets, their status and pay; and the localities where those several employes are located; and any other information required, as is now given under the Post and Telegraphs of the colony."—(MR. DUNCAN.)
