The celebration of the completion of the twenty-first session of University work was held at the University building in June, and was a very successful function. The speeches delivered, together with articles on the various departments and institutions of the University, were published in a special number of the University Magazine—the Council voting a sum of £10 towards the expense of publication.

*Appointments.*—During the year the lecturer on metallurgy has been appointed a member of the Professorial Board, and Drs. Brown and Batchelor were elected by the medical faculty to seats on the Board. The Council having decided to institute a lectureship on political economy, Dr. J. G. Findlay, LL.D., was appointed lecturer on that subject. Mr. W. D. Milne was appointed to the lectureship on jurisprudence.

Mr. W. A. Stout has resigned his lectureship on the law of property, and Dr. De Zouche the lectureship on diseases of children. In accordance with the recommendation of the medical faculty, the latter appointment has not been again filled.

Mr. A. C. Purdie, the Janitor, who has held that office for twenty years, retired in May, and the Council voted a sum of £70 as a retiring allowance.

The Chancellor, the Rev. Dr. Stuart, and Mr. George Gray Russell were appointed to represent the Council on the Board of High School Governors.
