The export value stated in the statistical returns is based on the exporter's declaration of value, the correctness of which is inquired into by Collectors of Customs. There is no standard value accepted; if the exporter's value is found to be too high or too low, he is required to furnish correct value.

Department of Trade and Customs,  
Wellington, 9th July, 1894.

W. T. GLASGOW,  
Secretary and Inspector.
