NOTE.—The figures in this return are compiled from the following sources: Revenue received—from the Public Accounts each year; Expenditure on Construction and Extension—from the Public Works Statements; Expenditure on Maintenance—from the Public Accounts each year. It has been found impossible to accurately separate the amounts expended on construction and extension respectively, but the totals of the two headings show the correct amounts expended.

Approximate Cost of Paper.—Preparation, not given; printing (1,325 copies), £1 10s. 6d.
