- (a) Additional expenditure is required to meet the requirements of the Army Department.
- (b) The sum of £3,000 placed on Main Estimates is already overcommitted. Urgent protective works due to erosion and other causes require further provision to be made.
- (c) As a result of deterioration in stopbanks near the mouth of the Pongakawa River, urgent maintenance work is required to prevent tidal flooding. A credit-in-aid of £180 will be received from the Te Puke Flaxmilling Co.
- (d) An unaccountable shortage of £10 in an officer's pay envelope was discovered. The shortage has been made good by the Department with the necessary approval, and an item is required to enable charging to be effected.
- (e) Through an oversight special rates of £18 19s. 7d. for which the Crown was legally liable were not paid when due and became statute-barred. Approval has been given to the payment of the amount, and this item is therefore required.
- (f) Provision for payment to the Swamp Land Drainage Account of drainage rates on unoccupied Crown Lands.

- (b) £177,500 provided in Main Estimates.
- (c) The tentative provision on the Main Estimates for this item was £10,000. It is now clear that the box pool alone requires approximately £18,800, leaving £3,200 which is the balance of the total provision of £22,000 to meet overtime claims at present in course of payment to timber-mills.
- (d) The Main Estimates provided tentatively for £750,578, and now the total is raised to £980,000. Increases in rock phosphate and sulphur costs are the factors which necessitate this additional provision.
