(a) Provision made in 1947-48 estimates for expansion of Regular Force, arrears of pay for 1946-47, and for pay of Interim Army. Enlistments in Regular Force were not as great as anticipated. Interim Army was terminated as at 31st March, 1948, and payment for arrears for 1946-47 are almost completed.

(b) Reduced provision required this financial year owing to (1) less personnel serving in the home Forces; (2) 1947-48 expenditure included rationing and outfitting of J Force relief draft prior to departure for Japan.
