## 6. FIXATION OF PROCESSING AND DISTRIBUTIVE MARGINS

The national milk margins covering pasteurization, chilling, bottling, and wholesale and retail distribution remained unchanged during the year. These were published in full in the first annual report of the Division.

## 7. Wellington City Council Price Structure and Reconciliation with Hutt Valley Trade

The supply of milk to the Wellington metropolitan area, which includes the Hutt Valley, is not handled under the National Milk Scheme, and a totally different price structure is provided for the purchase of milk from town milk producers. Following upon the increase under the National Milk Scheme of 0.78d, per gallon, consultations
