### 1. Report of the Governors.

The Board of Governors have to report that the Wellington College and Girls' High School continue to be successfully carried on, though want of funds prevents them from increasing the accommodation at either institution, or providing accommodation for boarders, which is urgently required, especially at the Girls' High School.

At the recent University examinations the passes were as follows:-Wellington College: One pupil gained a junior University scholarship, five passed the Junior Scholarship Examination with credit, one passed the Medical Preliminary, nineteen the Solicitors' General Knowledge, and six the Matriculation Examination; twelve passed the Junior Civil Service Examination; six passed the Students' Examination of the Institute of Accountants, two winning prizes offered to secondary schools. Girls' High School: Six pupils matriculated on the junior scholarship papers, nine passed the Matriculation Examination, one the Medical Preliminary, and fifteen the Matriculation and Solicitors' General Knowledge Examination; six passed the Junior Civil Service Examination.

Chas. P. Powles, Secretary.
