THE UREWERA DISTRICT NATIVE RESERVE:

REPORTS OF THE COMMISSIONERS APPOINTED UNDER SECTION 10 OF THE UREWERA DISTRICT NATIVE RESERVE ACT, 1896," AND ORDER MADE THEREON BY THE MINISTER OF NATIVE AFFAIRS.

Laid on the Table of the House of Representatives in compliance with a promise made to Mr. Herries, M.H.R.

REPORT.

REPORT of the UREWERA DISTRICT NATIVE RESERVE COMMISSIONERS to the Hon. JAMES CARROLL, Minister of Native Affairs, upon the Forty-nine Appeals in regard to the Ruatoki Nos. 1, 2, and 3 Blocks, referred to them for Inquiry and Report as per Notice in the *New Zealand Gazette* dated the 10th Day of January, 1907, under the Provisions of Section 10 of "The Urewera District Native Reserve Act, 1896."

SIR,—

Wellington, 10th June, 1907.

As the Commissioners appointed by you under the provisions of section 10 of "The Urewera District Native Reserve Act, 1896," to conduct the expert inquiry directed by you to be held into the several appeals, numbered respectively from 173 to 221, inclusive, in regard to the Ruatoki Nos. 1, 2, and 3 Blocks respectively, as published in the *New Zealand Gazette* dated the 10th day of January, 1907, and to report to you thereon for your consideration and decision as in the said section 10 provided, we have the honour to report as follows:—

We opened the inquiry into the Ruatoki Nos. 1, 2, and 3 Blocks, before this Commission, sitting at Whakatane, on the 4th day of February, 1907, and adjourned the inquiry from that date until the 6th day of February, 1907, on which date the inquiry was resumed and continued during subsequent days until the 7th day of March, 1907 (the Commission having, however, also been occupied at intervals between the above-mentioned dates in dealing with other cases within the Urewera District Native Reserve which were also before us for inquiry), since which last-mentioned date we have been engaged as members of the Commission of inquiry into the appeals in regard to certain other blocks of land within the said Urewera Reserve, and in framing our report for your consideration and decision. The minutes of the proceedings and of the evidence taken before this Commission are herewith transmitted.

As the result of our investigations and deliberations, we have the honour to submit to you the following report and recommendations upon the several appeals referred to us for inquiry, as set out in the schedule to the notice published in the *New Zealand Gazette* of the 10th day of January, 1907.

We are pleased to be able to inform you that each of the persons in the several contesting cases appearing before us maintained a most creditable and amicable demeanour throughout the entire duration of the inquiry.

We have weighed and considered all the evidence given before this Commission, and the evidence given at the previous hearings of the Ruatoki Nos. 1, 2, and 3 Blocks by the Native Land Court and by the Native Appellate Court, together with the decisions of the said Courts, the awards establishing the "takes" or grounds of title, and the proceedings held upon the settlement of the lists of names and definition of the relative interests of the owners by the said Courts.

We have also perused the minutes of evidence and proceedings contained in the books of the previous Commission, but we regret to state that we have been unable to find any judgment by the said Commission in the said minute-books upon the evidence submitted before it for consideration, nor is there any entry in the said books of the proceedings held upon the settlement of the lists of names and definition of relative interests to show how the making of the orders by that Commission for the Ruatoki Nos. 1, 2, and 3 Blocks, within the Urewera Reserve, as published in the *New Zealand Gazette* No. 30, of the 5th day of June, 1903, was arrived at by the said Commission.

The position being as above set out, we have at this stage the honour to state that we have ascertained the following particulars:—

I—G. 4A.

(1.) The original award of the Native Land Court in regard to the Ruatoki Nos. 1, 2, and 3 Blocks was affirmed by the subsequent award of the Native Appellate Court, the only amendment made being that certain persons who had been disallowed or omitted by the Native Land Court were added to the orders by the award of the Appellate Court.

(2.) We have been unable to discover any judgment by the previous Commission setting forth its reasons for varying the orders made by the Native Land Court and the Native Appellate Court.

It is apparent to us that the orders of the previous Commission are widely different from the original orders of the Native Land Court and the Native Appellate Court, even though it is the case that the same individuals and the same hapus who claimed at the original hearings appeared again before the previous Commission and advanced identically the same claims, and did so again before this present Commission.

There is nothing whatever before us to show the reasons why the above-mentioned variation of the original orders has been made—that is to say, why certain persons whose names were included in the orders under the original award of the Native Land Court and the subsequent award of the Native Appellate Court have been struck out by the previous Commission, and why certain other persons have been included by that Commission whose names were not included in either the orders of the Native Land Court or the orders of the Native Appellate Court which were made upon the hearing of the appeals lodged against the decision of the Native Land Court—that is to say, at the proper time for inquiry into the claims of the said new persons for inclusion.

The following schedule demonstrates the past and present position of the orders:—

	Ruatoki No. 1.	Ruatoki No. 2.	Ruatoki No. 3.
Native Land Court order contains ...	322 names	380 names	408 names
Appellate Court order contains ...	92 new names	86 new names	45 new names
Totals ...	414 names	466 names	453 names
Struck out by previous Commission ...	158 " ("A")	244 " ("A")	186 " ("A")
Remaining ...	256 "	222 "	267 "
New names added by previous Commission ...	241 " ("B")	336 " ("B")	336 " ("B")
Total names in orders of previous Commission ...	497 "	558 "	603 "

The row of figures marked "A" denotes the number of persons of those included in the orders for each of the three blocks under the award of the Native Land Court and the Native Appellate Court who have been struck out therefrom by the previous Commission, and the row of figures marked "B" gives the number of new persons who have been included in each of the said three orders respectively by the previous Commission, these being persons who were not included by the Native Land Court, nor by the Native Appellate Court which sat to hear the appeals against the award of the Native Land Court. We have prepared and attached to the file of papers for this land a list, marked "A," containing the names of the several persons who have been struck out, or omitted, by the previous Commission from the orders for each of the three blocks respectively.

We are of opinion that the award of the Native Appellate Court is the rightful award, and that if the previous Commission had adopted and upheld that award the present numerous appeals against their decision would not have been lodged, and the complications now existing would not have arisen; and we would without hesitation recommend that the orders of the previous Commission be annulled, and the award of the Appellate Court be reverted to and upheld in its entirety, were it not for the fact that application has been made to us by all the present appellants, and their conductors appearing before us, to be allowed to withdraw and abandon all such portions of their several appeals as ask that the names of certain persons in the orders of the last Commission be struck out, and that the shares of certain other persons in the said orders be reduced, the appellants only now asking to proceed with the remaining portions of their respective appeals which ask for increase of shares, and for inclusion of names of further persons in the orders; this was agreed to, and the cases put forward and inquired into by us have consequently been confined solely to claims for increase of shares and for inclusion of new names in the orders.

This being so, we look upon it that this action on the part of the appellants appearing before us is an admission by them of all the persons who have been included in the orders of the previous Commission for these three blocks as owners, and that therefore all that now remains to us to do is to consider,—

- (1.) Whether the interests of the several owners now asked to be increased should be increased; and
- (2.) Whether the names of the additional persons now asked to be included in the orders should be so included—each of which matters we will presently deal with; and
- (3.) Whether the names of the persons who have been left out of the orders of the previous Commission, though contained in the original orders of the Native Land Court and the Native Appellate Court, and whose names now again appear in the lists submitted to us by the appellants for inclusion, should be reinstated in the orders.

We are of opinion that the names of these persons should be reinstated in the orders, with individual interests differing as little as may be from the relative shares apportioned them under the original awards.

We have carefully considered all the evidence in regard to occupation, and we find that the quality of occupation generally accepted as proof of ownership of other Native lands is no stronger than in the present instance is the occupation of the Ngati Tawhaki, Ngati Koura, Te Urewera, Te Mahurehure, and other hapus, upon this land—that is to say, the occupation dating from the establishment of peace at the close of the war with the Europeans, and the subsequent occupations down to the present day. These were not merely new occupations, but were a renewal of their former occupation, existing prior to the Pakeha war, and obtaining during the time of the “Whakapono,” or introduction of Christianity, at which period Te Waitapu, Kotehetehe, and Waikirikiri were occupied as pas, the said pas having been principal pas at which the above-mentioned hapus dwelt together in former days, the occupation of which was occupation affecting this land, and other lands in this neighbourhood belonging to the said hapus at that time. There were also numerous residential kaingas on the land which were occupied by them during the period above mentioned.

A further aspect of the matter is as follows: A large number of persons of the before-mentioned hapus have been included in the land, and now others of them are submitted to us for inclusion by the appellants. The family of Tangohau, and the family of Te Paoro, and others of Ngati Tawhaki—thirty-three persons in all—are asked to be included in No. 1 Block for certain defined shares; also the family of Te Whaiti Paora, and other persons, asked to be included through “aroha”—six names in all—making together with the thirty-three first-mentioned persons a total of thirty-nine persons in all. The Ngati Rongo people, including Numia Kereru and Akuhata te Kaha, have submitted these names for inclusion, and this has been agreed to without a single objection.

We recommend that the persons who, in our opinion, should properly be included in the Ruatoki Nos. 1, 2, and 3 Blocks be so included therein, and we have therefore prepared and attached lists of the names and shares of the said persons to the file of each of the three above-named blocks for inclusion in each of the said blocks respectively, and have struck out from the lists submitted to us by the appellants for inclusion the names of the persons whom we are of opinion should not be so included.

The whole of the persons in the list of names submitted to us by Te Anewa Piripi for inclusion are residents of Ruatahuna and Waikaremoana, and have been struck out by us.

In regard to the list of names submitted to us by Puihi Marutawhao for inclusion, we will duly and carefully consider which of such persons should in our opinion properly be included; the evidence in support of his list of names is not of a very strong character. The same is the case in reference to the list submitted for inclusion by Te Hokotahi te Puehu, and also in regard to the lists of names submitted to us by other claimants for inclusion, and all such claims will be duly weighed and considered by us.

In regard to the claim by Hori Aterea for inclusion of certain names, we are of opinion that this case is justified, both under ancestral right and by occupation; and we recommend that this list of names, with the shares asked for each person, be included in the orders for each of the three blocks respectively.

In regard to the claim by Mehaka Tokopounamu for the inclusion of the persons in the list submitted by him, we recommend that such of the persons in his list as, in our opinion, have a right to be included be so included; and we make a similar recommendation in reference to the list of persons submitted by Netana Whakaari for inclusion.

We have weighed and considered these claims, and have prepared and attached lists of the names and shares of the persons whom we recommend to be included to the files of papers of the Ruatoki Nos. 1, 2, and 3 Blocks respectively.

In regard to the several lists of names submitted by Te Pouwhare te Roau, by Hiki Natana-hira, by Te Whetu Paerata, and by other appellants respectively, for increase of shares: We have carefully gone into these claims, and in the case of certain of the said claims we cannot see any reason why they should be given increased interests, seeing that they are already owners of larger shares than are the majority of the owners in the orders of the previous Commission for these blocks. We have, however, given due consideration to the fact that in certain instances the increases asked for have been agreed to by the owners; and in all cases where we are of opinion that the increases asked for should be granted we have added the names of the persons to the lists, and have inserted their increased shares in the copies of the orders attached to the file of papers for each of the three blocks respectively, and we recommend that they be so increased accordingly.

The following is a summary of the recommendations made by us as above set out, under the several appeals before us for inquiry:—

E koa ana maua ki te whakaatu atu ki a koe ko nga tangata katoa o nga keehi i tautohetohe nei ki o maua aroaro nui atu te pai me te ngawari o to ratou ahua, mai o te timatanga a mutu noa te whakahaerenga o tenei uiuinga.

Kua whiriwhiria kua whakaarohia e maua nga korero katoa i homai ki te aroaro o tenei Komihana, me nga korero i puta i nga whakawakanga tuatahi o nga poraka o Ruatoki Nama 1, Nama 2, me Nama 3, e te Kooti Whenua Maori me te Kooti Piira Whenua Maori, hui atu ki nga whakatau a aua Kooti, nga whakatau i whakauria ai nga take, me nga whakahaerenga o nga rarangi ingoa, me nga hea o ia tangata, e aua Kooti.

Kua tirohia hoki e maua nga korero e mau na i roto i nga pukapuka o te Komihana tuatahi; engari e pouri ana maua ki te whakaatu atu ki a koe kaore rawa i kitea e maua tetahi kupu whakatau kotahi a taua Komihana i roto i aua pukapuka mo runga mo nga korero i tukua atu ki tona aroaro hei whiriwhiritanga iho mana; a kaore hoki he tuhituhinga whakamahara i roto i aua pukapuka, mo te whakahaerenga o nga rarangi ingoa me te whakatautaunga o nga hea, hei whakaatu i te huarahi i kitea ai me pera nga ota mo Ruatoki Nama 1, Nama 2, me Nama 3 Poraka, e mau nei i roto i te *Kāhiti o Niu Tireni* Nama 30, o te 5 o nga ra o Hune, 1903, e taua Komihana.

Kati ra, i te mea e pera ana te takoto, no reira e whai honore ana maua ki te ki atu ki a koe i naianei kua kitea e maua enei ahuatanga e whai ake nei, ara:—

(1.) Ko te whakatau tuatahi a te Kooti Whenua Maori mo Ruatoki Nama 1, Nama 2, me Nama 3 Poraka, i whakauria e te Kooti Piira o muri nei, ka mutu ano te wahi i whakatikatikaina ko etahi tangata i turakina i mahue ranei i te Kooti Whenua Maori i whakauruhia atu ki nga ota i raro i te whakatau a te Kooti Piira.

(2.) Kaore i kitea e maua tetahi kupu whakatau a te Komihana tuatahi e whakaatu ana i nga take i whakarereketia ai e ratou nga ota i mahia e te Kooti Whenua Maori me te Kooti Piira.

E marama ana ki ta maua titiro ko nga ota a te Komihana tuatahi kei te tino rereke noa atu i nga ota tuatahi a te Kooti Whenua Maori me te Kooti Piira, ahakoa e tika ana ko aua tangata nei ano me aua hapu nei ano, i kereme nei i nga whakawakanga tuatahi, i tu ano ki te aroaro o te Komihana tuatahi ka whakaara i aua kereme nei ano, a i pera ano hoki ratou i te aroaro o tenei Komihana.

Kaore rawa nei he mea kotahi i o maua nei aroaro hei whakaatu i nga take i whakarereketia peratia ai nga ota tuatahi kua kiia ake nei; ara he aha te take o etahi tangata i whakauruhia nei o ratou ingoa i raro i te whakatau tuatahi a te Kooti Whenua Maori, tae noa ki te whakatau a te Kooti Piira o muri nei, i patua atu ai e te Komihana tuatahi; a he aha ano hoki te take o etahi atu tangata i whakauruhia ai e taua Komihana kaore nei i whakauruhia ki nga ota a te Kooti Whenua Maori me nga ota ranei a te Kooti Piira i mahia i runga i te whakawakanga o nga piira whakahe i tukua mo te whakatau a te Kooti Whenua Maori, ara i te wa tika hei uiuinga i nga kereme a aua tangata hou kia whakauruhia atu ratou.

Ko te rarangi e whai ake nei e whakaatu ana i te ahua o te takoto o nga ota i mua me te ahua o te takoto i naianei:—

	Ruatoki Nama 1.	Ruatoki Nama 2.	Ruatoki Nama 3.
Kei te ota a te Kooti Whenua Maori ...	322 nga ingoa	380 nga ingoa	408 nga ingoa
Kei te ota a te Kooti Piira ...	92 ingoa hou	86 ingoa hou	45 ingoa hou
Hui katoa ...	414 ingoa	466 ingoa	453 ingoa
I patua e te Komihana tuatahi ...	158 " ("A")	244 " ("A")	186 " ("A")
Toe iho ...	256 "	222 "	267 "
Nga ingoa hou i whakaurua e te Komihana tuatahi ...	241 " ("B")	336 " ("B")	336 " ("B")
Hui katoa nga ingoa i nga ota a te Komihana tuatahi ...	497 "	558 "	603 "

Ko te rarangi whika kua tohungia ki te "A" e whakaatu ana i te kaute o nga tangata i whakaurua ki nga ota i raro i te whakatau a te Kooti Whenua Maori me te Kooti Piira, a i patua ki waho o aua ota e te Komihana tuatahi; me te rarangi whika kua tohungia ki te "B" e whakaatu ana i te kaute o nga tangata hou kua whakaurua ki aua ota e toru e te Komihana tuatahi; a he tangata enei kaore i whakaurua e te Kooti Whenua Maori, e te Kooti Piira ranei i tu ki te whakawa i nga piira whakahe mo te whakatau a te Kooti Whenua Maori. Kua mahia a kua tapiritia atu e maua he rarangi—kua tohungia ki te "A"—ki te whairu o nga pukapuka mo tenei whenua, e whakaatu ana i nga ingoa o nga tangata i patua i mahue ranei e te Komihana tuatahi ki waho o nga ota mo ia mea kotahi o aua poraka e toru.

Ki ta maua whakaaro ko te whakatau a te Kooti Piira te whakatau tika, a mehemea i tangohia i whakapumautia e te Komihana tuatahi taua whakatau, kua kore e tukua mai enei piira whakahe mo ta ratou whakatau, me nga raruraru e takoto nei i naianei kua kore i ara. A kaore he awangawanga o maua ki te tohutohu atu ki a koe penei na, me whakakore atu nga ota a te Komihana tuatahi me hoki ano ki te whakatau a te Kooti Piira me whakapumau i ona ahuatanga katoa, mehemea kaore i takoto mai he tono ki a maua a nga kai-piira katoa o naianei me o ratou kai-whakahaere i tu mai ki o maua aroaro, kia whakaaetia kia unuhia kia whakarerea e ratou nga wahi katoa o a ratou piira e tono nei kia patua atu nga ingoa o etahi tangata i roto i nga ota a te Komihana tuatahi, a kia whakaititia iho nga hea o etahi atu tangata i roto i aua ota; ka mutu ano te tono a nga kai-piira i naianei me whakahaere ko nga wahi whakanuku hea anake o a ratou na piira, me nga wahi whakauru ingoa tangata hou ki roto ki nga ota. I whakaaetia tenei tikanga, no reira ko nga kechi i whakaturia a i uiuia e maua i whakawhaititia anaketia hei kereme whakanuku hea, whakauru ingoa hou hoki ki nga ota.

Kati ra, i te mea kua pera te ahua, ki ta maua titiro ko tenei mahi a nga kai-piira i tu ki o maua aroaro he whakaaetanga na ratou i nga tangata katoa i whakaurua ki nga ota a te Komihana tuatahi mo enei poraka e toru, a heoi ano te mahi e toe ana ma maua i naianei he whiriwhiri:—

(1.) Mehemea e tika ana kia whakanukuhia ake nga hea o nga tangata e tonoa mai nei kia peratia; a

- (2.) Mehemea e tika ana kia whakaurua nga ingoa tangata hou e tonoa mai nei kia whakaurua, a ko aua take e rua ka whiriwhiria e maua a taihoa ake nei; a
- (3.) Mehemea ranei nga tangata i mahue ki waho o nga ota a te Komihana tuatahi, engari i whakaurua i mua ki nga ota a te Kooti Whenua Maori me te Kooti Piira, a e mau ana hoki i naianei i roto i nga rarangi ingoa whakauru i homai e nga kai-piira ki a maua, e tika ana kia whakahokia ano ki roto ki nga ota.

Ki ta maua whakaaro e tika ana kia whakauruhia atu ano nga ingoa o aua tangata kia kaua e tino rereke rawa i nga paanga i whakaritea mo ratou i raro i nga whakataua tuatahi.

Kua ata whiriwhiria e maua nga korero katoa mo te noho, a kite iho ana hoki maua ko nga tu ahua noho e whakaaetia ana hei tohu mo te whaipaangatanga o te tangata ki era atu whenua Maori kaore i neke atu te kaha i nga noho a Ngati Tawhaki, Ngati Koura, Te Urewera, Te Mahurehure, me era atu hapu ki tenei whenua; ara, ko nga noho o muri mai o te maungarongo i te mutunga o te whawhai Pakeha, a tae mai ki nga noho o muri mai, tae mai ki naianei. E hara i te noho hou enei, engari e whakahou ana i a ratou noho o mua atu i nga whawhai Pakeha a tae noa ki te wa o te Whakaponu i nohoia patia ai nei a Te Waitapu, a Kotehetehe, me Waikirikiri; ko aua pa hoki he tino pa huihui no aua hapu ki tenei whenua me etahi atu whenua o ratou i taua takiwa, a he maha ano hoki nga kainga noho i runga i te whenua i nohoia e ratou i roto i taua takiwa o mua kua korerotia ake nei.

Tenei ano tetahi ahua: He nui rawa nga tangata, o aua hapu kua kiia ake nei, kua whakaurua ki te whenua, a i naianei kua tukua mai ano etahi atu o ratou e nga kai-piira ki o maua aroaro kia whakauruhia atu. Ko te whanau a Tangohau, me te whanau a Te Paoro, me etahi atu o Ngati Tawhaki, hui katoa e toru tekau ma toru tangata e tonoa mai nei kia whakauruhia ki te Nama 1, me nga hea mo ratou; me te whanau a Te Whaiti Paora me etahi atu tangata e tonoa ana kia whakaurua i runga i te aroha, hui katoa e ono aua ingoa; a huia atu enei ki nga mea e toru tekau ma toru kua kiia ake nei ka toru tekau ma iwa katoa enei tangata. Na Ngati Rongo, hui atu ki a Numia Kereru raua ko Akuhata te Kaha, i homai enei ingoa kia whakauruhia atu, a whakaaetia ana, kaore he kai-whakahe kotahi.

E penei ana ta maua nei tohutohu atu, ko nga tangata e tika ana ki ta maua whakaaro kia whakauruhia atu ki Ruatoki Nama 1, Nama 2, me Nama 3 Poraka, me whakauru atu ki aua whenua, a kua mahia kua tapiritia atu e maua he rarangi e whakaatu ana i nga ingoa me nga hea o aua tangata ki te whairu o ia mea kotahi o aua poraka e toru kua kiia ake nei, hei whakauruhanga atu; a kua patua atu e maua i roto i nga rarangi whakauru i homai e nga kai-piira nga ingoa o nga tangata kaore e tika ana ki ta maua whakaaro kia whakauruhia atu.
