NORTH CANTERBURY.

Christchurch, 6th April, 1910.

SIR.-

I have the honour to present the following report of the proceedings of the Education Board of the District of North Canterbury for the year ending 31st December, 1909.

THE BOARD .-- In the month of April the Hon. D. Buddo forwarded his resignation as a member of the Board, which was accepted with regret, in view of the cordial and pleasant relations which had existed between Mr. Buddo and his colleagues, and of the great interest he had always taken in the Board's work. At an election held on the 24th May, 1909, Mr. Hugh Boyd was elected to fill the position. The members whose term of office expired under the provisions of the Act were Mr. Dalziel, Mr. Rennie, and Dr. Hight (representing the North, South, and Central Wards respectively). For the North Ward Mr. Dalziel was re-elected unopposed, and at an election held on the 26th July Mr. William Robert Smith and Mr. Herbert Langford were elected for the South and Central Wards respectively. At the Board's annual meeting, held on the 18th August, Mr. T. W. Adams was elected Chairman of the Board, and ex officio member of each committee. BUILDINGS.-During the year the demands on the Board's building funds have continued unabated. New schools have been erected at Addington and Elmwood out of special grants made by the Department, in the former case to replace the building destroyed by fire on the 5th February, and in the case of Elmwood to provide for the large increase in attendance. A small building has also been erected at Pendarves, where the teacher's dwelling had previously been in use for school purposes. The Puaha School, at Little River, formerly known as Hillside, has been enlarged, and removed to a more central
