N. Fowler and 35 others	Ditto.
38	Invercargill	Forwarding copy of resolution carried at a public meeting held in Invercargill as follows: "That this public meeting objects to the proposed boundaries of the Invercargill Electorate, and requests that they be altered so as to include the old Electorate of Invercargill and Sections 8, 9, and 10 of Block I, Section 3 of Block I, Section 12 and part of 13 of Block IV, and Sections 27, 2, the eastern part of Section 1, and the southern part of Section 25, of Block XV, Invercargill Hundred"	William A. Ott, Mayor of Invercargill	Boundaries amended to include Sections 8, 9, 10, Block I, Invercargill Hundred.
39	..	Objecting to the proposed Invercargill Electorate on the following grounds: (1.) That the boundary as proposed leaves out Sections 8, 9, and 10 of Block I, Invercargill Hundred; whereas the same should be included therein, as they are within the present Borough of Invercargill. (2.) That the boundary as proposed includes Sections 1 to 17 of Block II, and Sections 5, 6, 7, and 34 to 39 of Block I, Invercargill Hundred; whereas the same should be excluded therefrom, as all of these, with the exception of part of Section No. 35, are rural land, and the occupiers have no interests in common with those of the electors of the Invercargill Electorate, and these lands should therefore be left in the Awarua Electorate. (3.) That the eastern boundary of the proposed Electorate is about four miles from the Invercargill Post-office; whereas the suburb of Waikiwi, including the Townships of Collingwood and Prestonville, are not two miles therefrom. (4.) That for many years past that portion of the suburb of Waikiwi comprising Sections 2 and 27, part of Section 1, lying east of the Invercargill-Kingston Railway, and the south part of Section 25, all in Block XV, and Section 12 and part of 13, Block IV, all in Invercargill Hundred, has been subdivided into and occupied as Township Allotments, under the names of "Collingwood" and "Prestonville," and the same are joining the Borough of Invercargill, and the interests are identical with the interests of the electors of Invercargill. (5.) That the suburb of Waikiwi was for a long time connected by a horse tramway, and is now being permanently connected by an electric tramway system with the Borough of Invercargill, and should therefore be included within the same electorate. (6.) That the population resident on the lands mentioned in clause 2 hereof are about the same in number as on the lands mentioned in clauses 1 and 4. Wherefore your petitioners humbly pray that the proposed boundaries of the Invercargill Electorate be altered so as to exclude therefrom all lands mentioned in clause 2 hereof, and to include therein all the lands mentioned in clauses 1 and 4 hereof	John H. Pay and 965 others	Ditto.
