EDUCATION: ANNUAL EXAMINATIONS.

[In continuation of E.—8, 1910.]

Presented to both Houses of the General Assembly by Command of His Excellency.

No. 1.

EXTRACT FROM THE THIRTY-FOURTH ANNUAL REPORT OF THE MINISTER OF
EDUCATION.

ANNUAL EXAMINATIONS.

THE annual examinations were conducted by the Department as usual for the various purposes of Junior National Scholarships, Junior Free Places in secondary schools, district high schools, and technical schools, Senior Free Places in secondary schools and district high schools, for admission to or promotion in the Civil Service, and for teachers' certificates. The examinations were held from 21st to 28th November, and on the 1st and 2nd December, 1910, and from 5th to 19th January, 1911, at forty-nine centres.

The number of candidates examined in these two sets of examinations still shows an increase over those of previous years, although not so considerable as that for 1909-10. It will be noticed from the table given below that the increase has been general in all examinations except the Civil Service Senior.

	1908-9.	1909-10.	1910-11.
Junior National and Education Board Scholarships and Junior Free Places	1,765	2,214	2,383
Civil Service Junior, Senior Free Places, Education Board Senior Scholarships, First Pupil-teachers	2,158	2,369	2,375
Teachers D and C	1,223	1,482	1,534
Civil Service Senior	373	443	390
Totals	5,519	6,508	6,682

The following table shows collectively, in comparison with the preceding year, the number who entered for the various examinations enumerated, the number present, and the number of absentees. In explanation of the number set down under the last of these heads it is to be noted that the relatively large proportion is to be accounted for partly on the usual grounds, but chiefly in the case of Senior Free Place candidates through the application of a principle recently put in operation by which awards of Senior Free Places are made with the concurrence of the Inspector-General on the recommendation of the principal of the secondary school attended or for district high schools of an Inspector of Schools.

Number who entered, 1910-11	7,553
Number who entered, 1909-10	7,267
Number actually present at examination, 1910-11	6,682
Number actually present at examination, 1909-10	6,508
Number who did not present themselves, 1910-11	871
Number who did not present themselves, 1909-10	759

The Department's examination for Junior National Scholarships is now used by all the Education Boards of the Dominion for the award of their Junior Scholarships, superseding thus without exception any examination locally conducted in earlier years for this purpose. For the award of their Senior Scholarships the Boards commonly, but not exclusively, use the Civil Service Junior Examination. Apart from this extension of its functions, the Civil Service Junior Examination is employed for a variety of purposes. Either in its proper competitive form, or with certain modifications in selected subjects to meet the needs of a non-competitive qualification, it is thus used not only as an entrance examination for the Civil Service of the Dominion, but as a scholarship examination, an examination for the Senior Free Place qualification in secondary schools and district high schools, an examination for pupil-teachers of the second or third years, and a qualifying examination for the probationer appointments recently instituted under the provisions of the Education Amendment Act, 1908. In its non-competitive form this examination is better known as the Intermediate Examination, and will be hereafter so referred to.

The cost of conducting both groups of examinations was as follows :—	£	s.	d.
Total expenses, exclusive of cost of printing and clerical work ..	5,274	6	3
Less recoveries—fees paid by candidates	3,739	5	7
Net cost of examinations	£1,535	0	8

No. 2

THE INSPECTOR-GENERAL OF SCHOOLS to the HON. the MINISTER OF EDUCATION.

SIR,—

Education Department, Wellington, 15th June, 1911.

I have the honour to present the following report of the annual examinations conducted by the Department for the various purposes of Junior National Scholarships, Junior Free Places in secondary schools, district high schools, and technical schools, Senior Free Places in secondary schools and district high schools, for admission to or promotion in the Civil Service, and for teachers' certificates.

The examinations were held between the 21st and 28th November, 1910, on the 1st and 2nd December, 1910, and between the 5th and 19th January, 1911, at the thirteen towns which are the seats of Education Boards, and at Alexandra, Aratapu, Arrowtown, Ashburton, Balclutha, Carterton, Chatham Islands, Dannevirke, Gisborne, Gore, Hamilton, Hastings, Hawera, Lawrence, Levin, Marton, Masterton, Naseby, Oamaru, Opotiki, Pahiatua, Palmerston North, Pukekohe, Rangiora, Reefton, Stratford, Taihape, Tapanui, Tauranga, Thames, Waihi, Waimate South, Waipawa, Wairoa, Westport, and Whangarei.

The following are the details of the number of candidates entering for the November-December and January tests :—

Number who entered, 1910-11	7,553
Number who entered, 1909-10	7,267
Increase in 1910-11	286
Number actually present at examination, 1910-11	6,682
Number actually present at examination, 1909-10	6,508
Increase in 1910-11	174
Number who did not present themselves, 1910-11	871

This difference of 871 between those who entered for examination and those who actually sat is accounted for partly on the usual grounds, and partly by the operation of a new clause in the Regulations for Senior Free Places, introduced in 1908, under which a number of candidates recommended on an accrediting principle therein embodied were exempt from examination, and accordingly did not present themselves. In the several examinations the following were the numbers present :—

Junior National Scholarship and Junior Free Place Examinations ..	2,383
Civil Service Junior and allied examinations	2,375
Civil Service Senior Examination	390
For certificate examinations	1,534

The Department's examination for Junior National Scholarships is now used by all the Education Boards of the Dominion for the award of their Junior Scholarships, superseding thus without exception any examination locally conducted in earlier years for this purpose. For the award of their Senior Scholarships the Boards commonly, but not exclusively, use the Civil Service Junior Examination. Apart from such an extension of its functions, this examination is employed for a variety of purposes. Either in its proper competitive form, or with certain modifications in selected subjects to meet the needs of a non-competitive qualification, it is thus used not only as an entrance examination for the Civil Service of the Dominion, but as a scholarship examination, an examination for the Senior Free Place qualification in secondary schools and district high schools, an examination for pupil-teachers of the second or third years, and a qualifying examination for the probationer appointments recently instituted under the provisions of the Education Amendment Act, 1908.

The following table gives a comparative statement of the number of candidates examined under the principal groupings during the past six years :—

	1905-6.	1906-7.	1907-8.	1908-9.	1909-10.	1910-11.
Junior National and Education Board Scholarships and Junior Free Places ..	790	1,458	1,475	1,765	2,214	2,383
Civil Service Junior, Senior Free Places, Education Board Senior Scholarships, First Pupil-teachers	1,305	2,123	2,173	2,158	2,369	2,375
Teachers D and C	749	1,051	1,184	1,223	1,482	1,534
Civil Service Senior	141	183	231	373	443	390
Totals	2,985	4,815	5,063	5,519	6,508	6,682

The results of the Junior National Scholarship Examination were made known on the 12th January, those of the Civil Service Junior Examination on the 18th January, those of the Civil Service Senior Examination on the 13th February, and those of the Teachers' Examinations on the 17th February.

Of the total number of candidates that sat for the Junior National Scholarship and Junior Free Place Examinations—

The number of candidates for scholarships was	1,557
The number who obtained a scholarship qualification was	824
The number who failed was	733
The number of candidates for free places was	826
The number who qualified for a free place was	400*
The number who failed was	426

The highest percentages of marks gained in the various subjects of this examination were as follows : English, 87 ; arithmetic, 97 ; geography, 94 ; general paper, 98 ; drawing, 94. The highest percentage gained by any one candidate on the whole examination was 86.

The following are details in regard to the Civil Service Junior Examination, in its varied applications :—

(a.) Total candidates presenting themselves for examination	2,375
(b.) Candidates under the provisions of the Civil Service Reform Act	1,389
(c.) Candidates for Education Board Senior Scholarships	394
(d.) Candidates included in both (b) and (c)	123
(e.) Candidates for Education Board Scholarships only	271
(f.) Candidates for first examination of pupil-teachers	75
(g.) Candidates included in both (b) and (f)	5
(h.) Candidates for Pupil-teacher Examination only	70
(i.) Candidates for Senior Free Places only	603
(j.) Candidates for drawing only	42
Total	2,375

Of the Civil Service Senior candidates—

The number present at examination was	390
The number sitting to compete, having already been partially successful, was	178
The number sitting for the first time was	212
The number who passed the whole examination was	120
The number who gained a pass in two or more subjects without completing the whole examination was	172
The number who failed was	98

The number of candidates that entered for different stages of the Teachers' Certificate Examinations, with their status at the time of entry, is shown in the subjoined table :—

Examinations previously passed.	Candidates for Whole or Part of Class C Examination.	For Class D.	For Class D with the Matriculation Examination of December, 1910.	For Completion of Partial Pass for Class D.	For Special Certificates in Single Subjects.	Totals.
Nil	45	379	38	..	10	472
Matriculation	94	240	4	..	1	339
Partial pass for Class E	6	6
Class E	6	6	12
Partial pass for Class D	132	285	..	417
Class D	124	124
Higher examinations	508	79	587
Totals	909	710	42	285	11	1,957

NOTE.—The columns of the tables are not mutually exclusive, a number of the candidates being entrants for more than one class of certificate.

* Also the 824 above who gained a scholarship qualification, thus making a total of 1,224 who qualified for a free place.

The following is a summary of the results of the examinations for teachers' certificates:—

Completed for Class B	24
" C	196
" D	338
Completed for all classes	558
Partial pass in Class A	1
" C	164
" D	286
Partial pass in all classes	451
Number who passed in a section for Class C	247
Number unsuccessful in improving their status	412
Absentees	217

In the above table candidates for more than one class of certificate are reckoned in each of the classes for which they were successful.

Attached to the report are lists of the examiners, and of the successful and partially successful candidates. The examination-papers, with an appendix containing criticisms and suggestions made by the examiners, have been printed separately.
