-Table G.—Summary of the Accounts of Income and Expenditure for 1911 of the Education Endowment Reserves dealt with by Land Boards.

The following figures summarize the transactions of the Public Trustee in respect to cash and mortgages taken over from the School Commissioners on 1st April, 1911. The figures are extracted from statements dealing with the financial year 1911-12.

Tak	£ s.	d.						
	Mortgages valued at		••		• •		22,162 0	0
	Cash	••	••		••		$2,417\ 14$	0
	Fixed deposits						3,058 2	0
	Interest during the yea	r,	••				1,791 5	0
	Paid to Public Account			ĩ				
	For primary educa	ation.			••	• ·	$1,660\ 10$	3
	For secondary edu	cation	• •	• •	••	• •	$53 \ 11$	7

The two latter sums were accordingly distributed by the Treasury to Education Boards and High School Boards along with amounts received from Land Boards in the manner prescribed by statute.

The total amount received by Education Boards from School Commissioners or from the Treasury was, for the year ending 31st December, £46,776 16s. 7d. The total amount received similarly by High School Boards was £5,709 1s. 8d.
