NOTE.—The classification of secondary schools, as shown in the above tables, may be interpreted thus:—

- A. Schools established under special Acts of the Legislature, with endowments derived from grants of money from the public revenue, or from grants of land. It is optional with these schools to admit free pupils or offer scholarships equal in value to one-fifth of the net annual income derived from endowments.
- B. High schools established in places where there are no secondary or district high schools. These schools must admit free pupils, for which they receive grants according to scale.
- C. Schools which, though endowed, do not admit, nor are they empowered to admit, free pupils.
