No. 23.

The SECRETARY, General Post Office, Wellington, to the SUPERINTENDENT, Pacific Cable Board, Auckland.

SIR,—

General Post Office, Wellington, 5th September, 1913.

With reference to my service telegram of the 14th July last, regarding week-end cable telegrams for Birmingham, Cardiff, and Porthcurnow, and your service of the 15th ultimo; it is noted that week-end telegrams addressed to code indicators for the places named are not available via Pacific. I have to point out that week-end telegrams addressed to code indicators at those places are available by the Eastern route, and should be glad if you would bring the matter under the notice of your Board, as this Department is of opinion that the facilities for the delivery of all classes of cable messages from New Zealand should be available to all routes.

I have, &c.,

The Superintendent, Pacific Cable Board, Auckland.

W. R. MORRIS, Secretary.
