LETTER OF TRANSMITTAL.

Sir,—

Geological Survey Office, Wellington, 30th June, 1922.

I have the honor to transmit herewith the sixteenth annual report of the Geological Survey Branch of the Mines Department. This report covers the work of the Geological Survey for the twelve months ended 31st May, 1922. In addition to brief reports on the districts examined by the field officers, various special reports are appended.

I have, &c.,

P. G. MORGAN,
Director, Geological Survey.

The Hon. G. J. Anderson, Minister of Mines, Wellington.
