## ARTIFICIAL LIMBS

Glenlean, Masterton,  
 Jan. 30th, 1910.

J. A. Packer & Son.

DEAR SIR,—The wooden leg which you made for me a year ago has proved quite satisfactory, being comfortable and easy to walk in, and having given it a good trial, am glad to say that I am well pleased with it.—  
 Yours truly,

H. W. TUXFORD.

Mauriceville,  
 Jan. 27th, 1910.

Messrs. Packer & Son.

DEAR SIR,—I beg to state that the leg you supplied me with is giving every satisfaction. I can now walk anywhere without the aid of a stick.—Yours truly,

JAMES V. POWER.

267 Oxford Street, Paddington, Sydney, N.S.W.,  
 To Messrs. Packer & Son. March 26, 1909.

DEAR SIR,—I received the Artificial Hand safely, and it is a perfect cut. I am delighted with it, and it is very comfortable.—I am, yours, etc., J. R. JONES.

P.S.—I never saw the makers. Was made from measurements.

WHY send out of the Dominion for your requirements, when we can supply you far more promptly, give far superior work, and at prices in many instances less than half of the imported article? Our work is endorsed by Doctors, Nurses, and Hospital Staffs throughout New Zealand.

J. A.
