

## The D.I.C. sends Footwear to Nurses in all parts of the Dominion

It isn't ward shoes alone that nurses need—they have their hours of leisure and in those hours they appreciate the value and inimitable good style of D.I.C. Footwear.

Added to these attributes is the unending satisfaction gained by wearing boots and shoes that do wear, and wear well.

The D.I.C. Mail Order Service is far-reaching, efficient, personal—it was organised for the especial purpose of placing the splendid merchandise of the "House for Quality" within easy reach of any one living between North Cape and the Bluff.

### The D.I.C. Pays Postage on all Footwear Orders and allows Registered Nurses 7½% Discount
