

A nurse patient, writing from a tuberculosis sanatorium, says, "Life as a patient in a sanatorium is not half so bad as I had imagined. In many ways it teaches a nurse to look at things from a patient's point of view. The nurse patients here have been given the privilege of attending the weekly lectures given to the nurses, which helps to keep us in touch with the latest methods.

The Publishers again apologise for the delay in publication. Every endeavour will be made to produce future issues by due date.
