

On the Road to Recovery

When the danger is over, and the patient just needs rest and nourishment, Doctors Cream O' Groats will be found an ideal food.

It makes nutritious gruel that is easily digested and assimilated by weakened constitutions. Doctors Cream O' Groats is prepared in New Zealand from selected Southland Oats. 'Tis packed in parchment bags which in turn are enclosed in dust-proof cartons. Infinite care in the making and rapid sales ensure a pure and uncontaminated food for convalescents.
