

*Summer calls for
Summer Frocks—*

*Summer Frocks call
from the D.I.C.*

THERE is no woman but delights in the choosing of new frocks—of dainty garments for the summertime; it is a fetish worthy of cultivation, and it can be cultivated to a high pitch at the **D.I.C.**

The new frocks are diverse in style—some plain, others embroidered, still others are in Fancy Voiles, Cotton Georgettes, Crepe de Chene, Fuji and Schappe Silks, Cambrics and Gingham.

**There's promise of beauty fulfilled in
———— these delightful Frocks ————**
