

YOU CAN HELP.

Subscribers and others are requested to patronise the advertisers in "Kai Tiaki" and the goods advertised. Also to tell their friends about our advertisers' goods, and where possible refer likely advertisers to the Publishers for advertising rates.

Many of your friends would like to subscribe. The subscription is 7/6 per annum for non-members of the N.Z.T.N.A. Could you secure at least one new subscriber? (See business notices last page.)
