

Bon Ton CORSETS

YOU can always be sure that the name "BON TON" or "ROYAL WORCESTER" on a corset is synonymous with Quality and Style. These Corsets absolutely improve and beautify the figure. They are boned with Wun-da-bohn, the wonder boning that is exceedingly resilient, yet firm, and outwears the corset. BON TON and ROYAL WORCESTER Corsets have the renowned O-I-C (Oh! I see) clasp that never pinches and always stays flat
