

CLEOPATRA'S VISION

THE great queen who reigned centuries ago was one famous user of Palm and Olive oils—perhaps she pictured the day when modern science would combine them for universal toilet use. For even in the sumptuous days of ancient Egypt these great

natural cleansing agents were only obtainable in their crude natural state. . . . If Cleopatra lived to-day she would revel in the greatest of all toilet luxuries, the perfection of these famous oils in the fragrant, creamy cake of Palmolive Soap.
