

A delicious cup of Butterfly Tea

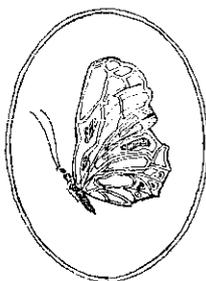

If the Tea you make at home is not exactly to your liking, why not try

Butterfly Tea

The most delicious Tea you ever tasted

Sold by Grocers Everywhere

Brown, Barrett Ltd., Auckland

Twink

Made by the makers of Lux

Washes and Dyes at the same time

Twink is a most successful combination of various attractive shades of dye with the well-known Lux soap flakes. It is a unique and excellent means of dyeing at home all kinds of wearing and furnishing fabrics. Twink gives you the fashionable shades while they are new—and Twink colours always turn out right.

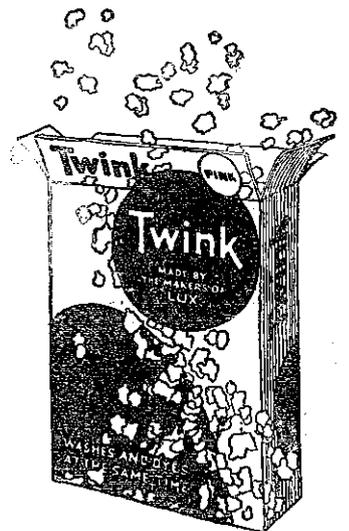

24 Beautiful Shades washed into anything that pure water itself may touch

That sun-faded georgette blouse—that yellowed camisole—those drab stockings—those white garments you wish were newly tinted—you can brilliantly restore former colours or give exquisite new shades, yourself, with Twink.

As easy to use as Lux.

Of all chemists, stores, etc.

Use Twink and dye with a smile.
