

# WINSTONE

*Are Rapidly Replacing  
Galvanised Iron*

*Tiles*

as the popular roofing. Being of natural earthenware material, they IMPROVE WITH AGE. WINSTONE TILES represent an important New Zealand secondary industry, giving employment to over 150 men the whole year round. Every time you specify WINSTONE TILES you assist the prosperity of your own country, and secure a roof that will last for ever, cost nothing for upkeep, painting or repairs, and give the home that distinctive, comfortable and artistic appearance that goes with every WINSTONE ROOF.

Write us for Quotations and free booklet showing many beautiful residences roofed with Winstone Marseilles Pattern Tiles.
