

# WEDDINGS ARE COMING!!

And the Customary Gifts must now be selected. Our stock of Silverware offers opportunities for selection wider than can be got elsewhere, and at prices that indicate good value. Don't believe all you see or hear about low prices. See the goods for yourself, and don't take anyone's word about their value. Some things are dear at any price. We believe our prices are the lowest that can be got anywhere for goods of the same quality. But don't believe it just because we say so; we may be prejudiced. We invite inspection and comparison, and will be satisfied with your decision. If out of town, write for free catalogue.
