AUCKLAND R.C. HANDICAPS,

(By Mepcater.)

The long-d-layed weights for the Easter Handicap made their appearance last Monday, and the handleep as a whole has been favourably commented on. With Achilles carged there was no dealt want would be to weight, and in awording han 10.7, or 210 less than the hapest given him by Michael the strength of the Layest given him a good winning chance. Walrick within 515s of Achilles is about in his right place, but I think that he will be better solled over a bit mere distance. Converted the strength of the could have full the first solled over a bit mere distance. Converted the strength of the could have full the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance. Converted the first solled over a bit mere distance with Crand Rapids, and in awarding bit solled the first solled over a bit first with Mr Henrys, who has seen him perform. Mr Evitt may have private information recarding this between the first solled over the The long-delayed weights for the Easter Handienp made their appearance last Mon-day, and the handierp as a whole has been

. . . THAMES JOCKEY CLUB AUTUMN MEETING.

The weather was perfect for the Thanes J.C. Autamn Meeting, and the course was in splendid order. There was a peed attendance of the path in a non-level of whiters being present from Austinal and the upcountry districts. Mr W. Purson officialed as judge. The storting of Mr Octubrion was excited out in that continuous usual style, and was a revolution to the local integroes. The incidending of Mr J. Chrishwick preduced some pend fanishes, undaily in the Rullway Handleys here, heads only separated the placed between the most preduction was fally in the Rullway Handley here. The meeting was well managed to the officials, headed by the Secretary, Mr W R. (eds), and was successful from every point of Vlew. Speciation was fally brisk, the mechanics in 16 therets, an increase on list year's total of £412.

Tracecollines against with the Midden Plate.

mechines in 16 denots, an increase on last year's total of £312. Proceedings opened with the Maiden Plate, the six acceptors on the effet going to the post, Readily being made freemile, the post, Readily being made freemile, Ren Bahr was first positivet, and was in front till well febr the streem, when the few lithit's increase, went on and won by least in front of Le Beau. There were two withdrawals from the hards in front of Le Beau. There were two withdrawals from the Hurdle Race, leaving a field of four to face the starter. His power on his running of late was made an odd-see fractuative. Moussin was responsible for the runding till externing the sterilet, where the faccuting gothern sterilet, where the faccuting gothern sterilet, and the sterilet, a length and charf, Vancutsh was a further starter, run off at the first handle.

and, the other starter, ran off at the first handle.

A field of five saw the post for the day event of the day, the Money Union Bendinger, Zulicka Iselan joked out as the most independent of the day, the Money Heavy mest in decision. The field were all postabled to an even start, the colours of Jack Brown were first premiured, and he showed the way out of the straight just elem of Netocchi and Grey Staton. As they turned for bone, Jack Brown was still in economical and although challenged in the run house by Grey Scaton, basted long smooth to win by a length and abstalf. Mutamatalayabeke, who came very fast in the last couple of ferbours, was the same distance away third. Network as the same distance away third. Network similar the favorable last.

Five was acain the field for the Pony Handleng, Little Model having most supporters. After Scatine had been indused in the leaf for about five furloops, Stepney

took charge, and holding his advantage in the run to the post, won a good cace by a leagth. A goodest for impendintent running was dismissed.

was displayed.

Fire runners lived up for the Steeple-chare, Hylas was the only one backed with any spirit. Tip to was in the leaf for the first mile, where he retired beaten, and Hylas getting to the front cleared out from the field and had no difficulty in winodag early at the finish by 20 lengths from Dingo, who was kept a long way out of the the early singers of the race, but put in a great run at the end of it. The Fullack was third 50 yards behind Dingo. Star Lucke a blood vessed in the early part of the race and was pulled up.

the race and was pulled up.

The Bailway Baildap only attracted a field of fett, archevite being mude favourity. The favourity was the first to show premiuently, and bed till a furlong from honce, where Juck Brown and he lied being that it a strong challenge, and a desperate thirst remited in Amborite winding by a head from Juck Brown, who was a similar distance in front of Le Brain. Grey Seaton ran inside a post and was pulled up.

Whichith was made favourity in a field of

distance in front of Le Beau. Grey Seaton ran histle a post and was pulled up.

Wakailid was mide favourite in a field of five nedirates who lived up for the Hack Handleap. Minna was first on her feet, and was never headed, winning at the first by a length from Wakailid, who was under pressure the whole journey.

The meeting was brought to a close with the Final Handleap, for which seven, the inspet field of the day, went to the post-feed of the day, went to the post-feed of the day went to the post-feed of the day with the first hill and had had been all lies hillies were also well backed. Mr O'Connor dispatched the field to an excellent start, the whole seven running alterast for a couple of chains, when Auchorite showed out and was first into the straight, and helding her own in the run home, won by three lengths from Noteovile), who was a length in front of Ru Blair, the rest of the runner close up.
