If your hair is too long, go to your barber. He has the remedy—a pair of shears. If your hair is too short, go to your druggist. He has the remedy—a bottle of Ayer's Hair Vigor.

Ayer's Hair Vigor Is a Hair Food.

It feeds the hair. The hair grows long and heavy because it gives to the hair just what it needs.

If your hair is turning gray, it shows there is lack of hair nourishment. Give your hair this hair-food and it will take on new life. Soon all the deep, rich color of youth will return to it.

We are sure you will be greatly pleased with Ayer's Hair Vigor as a hair-dressing. It makes the hair soft and smooth, and prevents splitting at the ends.
