WILSON—FURLONG.

The Hawera Hospital was the scene of a quiet but exceedingly pretty wedding, when Miss M. Furlong, daughter of Mr. T. Furlong, of New Plymouth, and until recently matron of the Hawera Hospital, was married to Mr. Hamilton A. Wilson, son of Mr. James Wilson, of Whangarei. The service was conducted in the main corridor of the hospital at eight o'clock in the morning by the Rev. Bertram. The bride, who was given away by Dr. Westerra, wore her nurse's costume, and was attended by her two sisters and Nurse Stanley as bridesmaids. The bridegroom was supported by his brother and Mr. L. Storey. After the ceremony the bridal party, which consisted of a very few of Mr. and Mrs. Wilson's personal friends, partook of a sumptuous wedding breakfast, the tables being beautifully arranged by friends of the bride. After the health of the bride and bridegroom had been drunk with much enthusiasm the happy couple left by the mail train amid showers of rice, the bride wearing a very smart travelling gown of dark cloth. Miss Furlong held a reception in the new ward of the hospital on the afternoon prior to her wedding, when a large number of guests assembled to wish their friend every happiness in her new life. She was presented with a very handsome solid silver salver and tea service by the Rev. Mr. Porter on behalf of the people of Hawera. During the afternoon tea was handed round, and vocal items were given by Mrs. Webster, Misses B. Flynn and Jim and Mr. Wilson. The presents, which were on view, were both numerous and costly. **BAD BLOOD**

Such symptoms as boils, pimples, blotches, sores, eruptions, rashes, tetters, and nearly all skin diseases are proof that the blood is impure, and if not cleansed these troubles may be followed by cancer symptoms, such as ULCERS, TUMOURS, ABSCESSSES, OLD SORES, SCROFULA, and CANCEROUS Affections. In BILE BEANS FOR BILIOUSNESS we have a remedy that has cured the severest forms of bad blood—from a common pimple to the worst scrofulous sore—and that is purely vegetable, so that the user, while certain of benefit, has no fear of any harm resulting through the presence of any deleterious substances in their composition, which, unfortunately, are only too frequently found in many other so-called blood purifiers.
