

**CHRISTMAS GIFTS BEYOND COMPARE
ARE OUR JEWELS RICH AND RARE.**

Stewart Dawson & Co.
146 & 148 QUEEN ST. AUCKLAND.

Christmas giving is an old-time institution, and perhaps you've given so many gifts each Christmas that you are thinking there is nothing new for you left this time. Suppose you start over again by giving a Brooch or a Bracelet, for these are about the first thoughts of most givers of gifts when the one to be considered is a woman. Even if she has already got two or three of these, a fourth will be no less welcome, for no woman cares to wear the same jewellery year in and year out, and besides a Brooch bought a few years ago may be out of date as regards style, and women love to be in the fashion, as far as jewellery is concerned, just as much as in dress. On this page we show thirty-eight designs of worthy jewels. If your fancy has been excited, communicate with us, and we can show you designs of thirty-eight more; in fact, our stock is so varied and so complete that it must inevitably contain just what you want. . . . But someone who reads and studies this page may have just lately given one of these as a gift, and wants something different. That is a difficulty we can easily help you out of if you call. Even if you do not come to buy, you will receive just the same attention, and will be shown our Beautiful and Varied Stock, and your friends will benefit by your advice in their gift choosing. Then, if you live away from Auckland, we have not forgotten you. We have just published a Special Christmas Gift Catalogue, showing hundreds of up-to-date, inexpensive and expensive gifts. Your name and address on a post card will bring a copy by return mail.
