THE MUD VOLCANO, WAIOTAPU.

SKETCH IN OIL OF THE WAIOTAPU PRISON CAMP, BY AN INMATE.

The points for this remarkable picture were secured by the prisoner concerned by scapping buildings, etc., and the brush was manufactured from another prisoner's hair. It is a striking example of the difficulties prisoners will sometimes encounter in relieving the monotony of captivity by some hobby.

A PRISON EXPERIMENT: VISIT TO WAIOTAPU PRISON CAMP
