## VISIT OF MELBOURNE INMAN, THE FAMOUS BILLIARD PLAYER, TO AUCKLAND.

The exhibitions given by Mr. Inman last week were among the finest seen in this city. Our picture was taken during his match with Mr. Jackson, to whom he conceded a thousand points in a two thousand match. Mr. Inman reached his total when Mr. Jackson's score stood at 1830.

## HEAVY FALL OF SNOW IN THE SOUTH.

The recent unprecedentedly severe snow storms in the South Island were responsible for a lot of damage, principally to live stock. This photograph of one of the principal streets in Naseby, at the foot of Mount Ida, ninety miles from Dunedin, gives us Northerners, who are immune from visitations of this nature, some idea of the difficulties dwellers in a colder climate have to contend with.
