

E. Denton photo. MASS MEETING OF WELLINGTON "UNEMPLOYED" AND OTHERS WHO ALLEGE THEY CANNOT GET WORK.

Meeting being addressed by Mr. J. Dowell, of the Waterside Workers' Union. The crowd, under his guidance and that of Mr. H. A. Campbell, Organiser of the Political Labour League, marched to Parliament, and deputationised Sir Joseph Ward, who promised work on the railways and roads of the Dominion. The demand for employment in these undertakings does not appear to be very popular.
